MEMORANDUM FOR: Chief, Technical Services Division

SUBJECT : Request for DDS Assistance

REFERENCE : Your Memorandum dated 17 June 1964 to Special Support Assistant/DDS, same subject

1. On 24 July 1964, the referenced memorandum was discussed among representatives of Supply Division/OL, [REDACTED] and members of his staff. It was discovered that the problems are somewhat more complex than your memorandum would suggest. Certain procedural matters were discussed, and some solutions were discussed; however, it was agreed that a study in detail and depth will be necessary before all aspects of your problems can be resolved.

2. Supply Division has agreed to provide a person qualified in property accounting techniques and procedures to make the necessary study. [REDACTED] reported to your office on 4 August for this purpose. Upon the completion of his analysis, the Office of Logistics will develop procedures, within the framework of current regulations, which will provide you with the operating flexibility you require. If any of those procedures should involve revisions to standard procedures or existing agreements with the Office of Finance, we shall initiate action for the necessary coordinations at that time.
